Hi Robert:

Parking is always a challenge in Venice. Hotel Erwin does have valet, however, the host does not comp or discount, unfortunately.

In the winter, you are more likely to find street parking.

If some of your presenters are close by I would recommend alternative transportation options.

Hi Donna,

That's great news! I've confirmed all but one speaker (Planning Dept). I'll find out soon if they can send a presenter.

- **Robert Park**, Community Business Manager for Mayor Eric Garcetti
- **Ami Fields-Meyer**, West Area Representative for Mayor Eric Garcetti
- **Bhavna Sivanand**, Executive Director of Impact@Anderson, UCLA Anderson School of Management
- **Dion Wiltshire**, Business Services Supervisor, West LA WorkSource
- **Patti MacJennett**, Senior Vice President for Business Affairs, Los Angeles Tourism and Convention Board

Do you guidance on parking for our speakers?

Hi Ami and Robert:

Copied in are Carol Tantau (VCC Treasurer) and George Francisco (VCC President).

I am pleased to inform you that we have secured a location for our business summit on **Friday, 3/01. The event will be at Hotel Erwin - 1697 Pacific Avenue** - and will be organized into 2 sessions. The first session will be located in Larry's Loft from 9:00 am - 1030 am and will consist of your presentation.

We have sent invitations to approximately 50 business leaders in the community from diverse business sectors and representing the various areas in Venice - Abbot Kinney, Lincoln Blvd., Ocean Front Walk, Rose Avenue and Washington Square. We expect approximately 30 people to attend.

As we discussed during our meeting, we are interested in hearing an assessment on the current business climate and trends for the Westside community, issues and initiatives that the Mayor's office is working on, and how business leaders in Venice can partner with the Mayor's office to work on issues that support a thriving economy in Venice.

Carol/George - please chime if there is more that you want to add.

The second session from 10:30 am to 12:00 pm will be a focus group/planning session with about 15 stakeholders. Our goal for this segment is to identify priorities for our business community and create actionable items for mobilizing our business community. Though there is no need for you to stay, you are of course welcome to join us.

For the first session, please let me know what resources you will need.
We look forward to seeing you soon!

Kind Regards,

Donna

Hi Donna, just to be safe - a HDMI cable will be provided?

I can bring my Macbook which has a HDMI port to project onto a TV or projector.

Thank you! I'll get there to the hotel by 8:45am or so to prep.

Hi Robert/Ami:

We're looking forward to this Friday!

We sent invites to 57 people and 31 have responded so far.

The event will be at Hotel Erwin - [1697 Pacific Avenue](#) in Larry's Loft on the 5th floor.

There is valet parking but the hotel usually does not offer a discount.

Let me know your technical requirements?

Flatscreen?

Do you have an HDMI cable?

Microphone/podium?

Thanks,

Donna
